**SUGGESTIONS**

More connections to Roatan if flying in USA-New York or in Canada-Toronto. They all stop in Houston, Miami, Dallas or Atlanta anyway before to arrive in Roatan.

Other ways to connect the flights to ROATAN are through Central and South America (Bogota', Panama, San Jose) and then SanPedro Sula or Salvador and then Roatan

Flying to San Pedro Sula is also another option. Most of the flights to Roatan can be connected the same day, but be prepared eventually to spend an overnight in SAP
